How to Create a Profile and Fill Out the Shelter for Help in Emergency's Volunteer Application through Better Impact

Welcome to the Shelter's Better Impact Home Page

Welcome to the Volunteer Portal for the Shelter for Help in Emergency!

Volunteers play a crucial role in the delivery of Shelter programs and services. We are grateful to have a dedicated group of volunteers who give freely of their time and energy to help the women and children we serve each day. Volunteers work tirelessly to ensure our crisis hotline is staffed 24-hours a day, children are given guided play sessions while their mothers meet with case managers and attend support groups, offer translation services, provide administrative assistance for our office staff, and help organize community activities and fundraising events.

We could not manage the work we do without the support of our wonderful volunteers!
